Warranty, Refunds, Replacements

Unless otherwise specified, warranty is 2 years on-site for systems and 12 months on components. Secrett Systems will not warrant any item that has been mishandled, damaged in freight or otherwise tampered with.

Secrett Systems will not repair under warranty any damages caused by any operations outside the designed working capabilities of a component, power surges and external peripheral devices.

Warranty does not cover damage to any other equipment used in conjunction with items purchased from Secrett Systems.

Refund cheques will only be issued for returned items that prove to be faulty. All returned items will be tested before a replacement is given or refund cheque issued.

Items found to have a fault not covered by warranty or to be fault free, will attract a service fee of \$100.00 per hour.

Refund cheques are not issued for returned goods only credit for other items.

Limitation of Liability

=====

Secrett Systems will not be liable for loss, incidental or consequential damage caused by the use of any of our products including loss of data resulting from equipment failure. It is entirely up to the customer to adequately back-up their system.

Secrett Systems supply all PCs with Norton Antivirus installed and fully up to date and warrant that the PC is virus free when it leaves our premises. It is entirely up to the purchaser to ensure that virus protection remains up to date. Hence, Secrett Systems will not accept any liability for any damage caused by failure by the purchaser to maintain their virus protection.

Secrett Systems will not be liable for any time lost in down time or subsequent labour charges caused by equipment failure.

Secrett Systems will not take responsibility for damaged or lost items during transit.
